UPPLANDS Energy - Limited Warranty

UPPLANDS Energy Inc. (Seller) warrants that all products sold shall be free of defects in material and workmanship for a period as listed below:

- All Solar lighting products 3-7 Years – check individual product specifications
  Warranty on solar lighting products is conditional upon operating the equipment within the parameters as specified in the data sheets.

- Custom engineered solar lighting and power products and/or systems: as per project specifications.

- All LED products, other than solar 3-5 Years

The UPPLANDS Limited Warranty is valid only for the original purchaser or the first end user of the products sold by Upplands either directly or through distribution.

In the event of the product sold by Upplands does not perform in accordance to the original specifications in force at the time of delivery, Upplands, in its sole discretion, will determine whether the product in question is in fact defective. As an LED lighting product Upplands considers the product as defective when at least 8% of the individual LED chips fail to function properly or fail to emit any light.

Should the product be deemed defective anytime during the warranty period, Upplands Energy Inc., reserves the right to repair or replace the product(s) or refund the current replacement value of the product in question.

In the event of a replacement, Upplands reserves the right to replace the product with a non-identical design that meets performance specifications based on normal aging at the time of replacement.

In case of a repair Upplands reserves the right to use either new or refurbished component(s).

Upon satisfying the warranty claim the Warranty period should continue as per the date of the original purchase.

The Upplands Limited Warranty is conditional to use under normal operating hours of 3120 per year (10hrs/day, 6 days per week), proper installation, maintenance and proper use of the product in accordance with product specifications and the standards of Canadian Standards Association (CSA), the American National Standards Institute (ANSI), Underwriters Laboratory Inc (UL) and The National Electric Code (NEC).

This Limited Warranty does not apply to any damage by misuse, mishandling or abnormal conditions of storage, exposure to ambient temperature outside the limits of applicable specifications, improper installation, damage due to fire or acts of God, abnormal vibrations, harmonic oscillations that can adversely affect the functionality of the electronics of the products in question and exposure to corrosive environment the product is not specified for.

The Upplands Limited Warranty does not apply to field labor, transportation and service charges related to the warranty claim.

NO WARRANTY OF FITNESS FOR ANY SPECIFIC OR PARTICULAR PURPOSE IS MADE OR IS TO BE IMPLIED, NO OTHER WARRANTY APPLIES. Upplands will not, under any circumstance, whether as a result of breach of contract, warranty tort or otherwise, be liable for any costs or damages, including lost profits or revenues, incidental, special or consequential damages.
